"Our hitters are thrilled with the performance of the Axe Bat by Baden. Before we decided to become a Baden team, our guys pulled the Axe Bat out of the bat rack on their own (when given a choice to swing anything)! The best evaluation results are found when players decide when given a choice!"

"FUN, CHARACTER, WINNERS"

By: Billy J. Powell

Commissioner - 97/98

Dizzy Dean Baseball is not for coaches, parents, or spectators. Dizzy Dean Baseball is for the youth that play the game. One of the greatest outlets for youth is baseball. As a professional, Dizzy Dean played baseball for the love of the game and with the enthusiasm, intensity and energy of the youth that play the game today. He played because it was fun. We must continue to make baseball a fun game without placing undue pressure and stress on our youth. Our youth come first, winning second. When you build the character in a youth, you build a winner.

There was no organized baseball in Arkansas while Dizzy Dean was growing up and he was denied the opportunity to play baseball as a young boy. It was Dizzy Dean's dream that one day every young person would have the opportunity to play baseball. We, the National Board of Directors of Dizzy Dean Baseball, Inc., are dedicated to giving our youth this opportunity and promise to provide them with the best baseball program available today. This was Dizzy Dean's dream; this is what Dizzy Dean Baseball is about.

COMMUNICABLE DISEASE PROCEDURES

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform, it must be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous membrane exposure when contact with blood or other body fluids is anticipated.
3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.
7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
8. Contaminated towels should be properly disposed of/disinfected.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouth guards and other articles containing body fluids.

*Additional information is available from
our state high school association and
from the National Federation.*

CHILD ABUSE / MOLESTATION STATEMENT

1. Dizzy Dean Baseball, Inc. abhors all forms of child abuse including verbal abuse, physical abuse, emotional abuse, and sexual abuse and is committed to addressing these concerns by providing risk management guidelines that will lessen, but not totally eliminate the chance of an occurrence. Failure of leagues to implement these risk management precautions may expose such leagues and their officials, volunteers, and other representatives to significant legal liability.
2. Dizzy Dean Baseball, Inc. has no operational control over league security including the selection of volunteers associated with independent leagues, which are affiliated with its program. Therefore, it is the sole responsibility of the independent league to take action to adopt and implement sound risk management precautions.
3. Dizzy Dean Baseball, Inc. strongly recommends that all leagues adopt and implement a child abuse / molestation risk management program. Guidelines for establishing such a program are available on the Dizzy Dean Baseball website or a league may develop a similar comprehensive program.
4. Elements of a sound child abuse / molestation risk management program are as follows:
 - a) Screen all volunteers who have repeated access to youth by requiring completion of a volunteer application and by running a criminal background check. All criminal background checks indicating a conviction involving crimes against a minor must result in disqualification of the volunteer. In addition, other charges and convictions may be an indication of an unfit volunteer and may result in disqualification.
 - b) Distribute materials to educate administrators, volunteers, and parents on the warning signs of child abuse / molestation and how to respond to an allegation.
 - c) Appoint a conduct official to administer the program and to be the primary contact for allegations of child abuse / molestation.
 - d) Encourage the use of a "buddy system" where a non-related adult is never alone with a single child.
 - e) Encourage the use of take home/pickup policies to ensure that a single child is not being transported by a volunteer as a result of a parent failing to pick up a child in a timely fashion.
 - f) Prohibition of any overnight sleep over event at any official's house.
 - g) Limiting the distribution of directories / rosters with names, phone numbers, addresses, and pictures to persons on a "need to know" basis.

PROTECT YOUTH SPORTS
BACKGROUND CHECKS FOR YOUTH COACHES

Youth sports decision makers must make sure to cover all the bases when it comes to protecting youngsters in their programs. When recruiting and evaluating volunteers, no youth sports administrator wants to strike out by appointing someone who may not be qualified for the job, or who puts children in danger. To help decision makers with these crucial responsibilities Dizzy Dean Baseball has teamed up with Protect Youth Sports, one of the nations' premier background check providers, to introduce an all new system for leagues and associations to totally manage their volunteer youth sports coaches background checks and child safety training.

Coach Background Checks through industry expert Protect Youth Sports are designed to help leagues and youth sports officials implement and maintain a thorough background screening process and child abuse prevention program for volunteers, staff and employees. Preventing sexual predators and violent offenders from working with children and youth is our primary concern.

Protect Youth Sports has established a very firm and reputable standing within the youth sports market for background screening. Come see why thousands of organizations nationwide have chosen Protect Youth Sports to keep their leagues safe.

DON'T PUT YOUR CHILDREN OR ORGANIZATION AT RISK!

DIZZY DEAN BASEBALL PRAYER

Oh Lord, it is with joy we begin this year of Dizzy Dean Baseball. We always want your blessings and pray for You to give us a desire to make a happy season of games. Help us to be more thankful to You by strengthening our minds, morals and bodies.

Oh God, we thank You for the many blessings You have given us. We pray that the Holy Spirit will lead in the guiding and training of young people in the enjoyable game of baseball. Help us to always remember that growing a strong moral character is very important. Oh God, we ask You to be with our young people that they may always keep their bodies in good physical shape, to always be mentally active, to always play the game fair and square to the very best of their ability. Help them to always be good sportsmen so that they may develop mentally, physically and spiritually even as did our dear Lord whose holy name we pray.

Amen.

6:00 PITCHING RULES

"See Appropriate League Age Group on Table"

Pitch Count and Required Rest Limitations- League	Daily Max (Pitches)	Required Rest (Pitches)	Required Rest (Pitches)	Required Rest (Pitches)	Required Rest (Pitches)	Required Rest (Pitches)
		0 Days	1 Calendar Day	2 Calendar Days	3 Calendar Days	4 Calendar Days
9-10	75*	1-20	21-35	36-50	51-65	66+
11-12	85*	1-20	21-35	36-50	51-65	66+
13-14	95*	1-30	31-45	46-60	61-75	76+
15-16	95*	1-30	31-45	46-60	61-75	76+
17-18	105	1-30	31-45	46-60	61-75	76+

Pitch count example: A pitcher pitches 32 pitches on Monday. The pitcher must rest on Tuesday and will be eligible to pitch again on Wednesday.

6:01 A pitcher, once removed from the mound cannot return to the mound as a pitcher in the same game. Penalty: Forfeit.

6:02 The manager must remove the pitcher when said pitcher reaches the limit for his/her league age group as noted in the table above. The pitcher may remain in the game at another position:

Exception: If a pitcher reaches the daily **max** limit imposed **in the** above table for his/her league age while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs:

- That batter reaches base;
- That batter is put out;
- The third out is made to complete the half-inning.

6:03 All pitches pitched during a game will be counted towards your daily max. A player may pitch in more than one game in a day as long as they haven't pitched more in a previous game that day to need the required rest.

6:04 Each league must designate the scorekeeper or another game official as the official pitch count recorder. In league play it is recommended that the team bookkeepers maintain the pitch count and sync the count at the end of every inning. In tournament play it is recommended that the bookkeepers sync with the scorekeeper at the end of every inning and when a pitching change is made. The pitch count recorder must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, the manager is responsible for knowing when his/her pitcher must be removed. The official pitch count recorder should inform the umpire-in-chief when a pitcher has delivered his/her maximum limit of pitches for the game. The umpire-in-chief will inform the pitcher's manager that the pitcher must be removed. However, the failure by the pitch count recorder to notify the umpire-in-chief, and/or the failure of the umpire-in-chief to notify the manager does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.

6:05 Violation of any section of this regulation can result in protest of the game in which it occurs.

6:06 In suspended games resumed on another day, the pitchers of record at the time the game was halted may continue to pitch to the extent of their eligibility for that day, provided said pitcher has observed the required days of rest.

6:07 In all tournament play, pitching rosters must be signed within (10) ten minutes of the completion of play by both managers. If not, they will be signed by the tournament director and become official and cannot be altered.

6:08 Pitching changes must be reported to the home plate umpire who will announce the changes to the scorekeeper.

- Failure to do so may result in pitcher of record being charged with all pitches until notification or recognition of change has been made.
- Manager/Head Coach must check the pitching record for accuracy and sign immediately after the ball game. *See rule 6.07.*

6:09 A pitcher is turned in on a line up card or any new pitcher who throws a pitch to a batter he/she is the pitcher of record and shall pitch to the batter is put out or reaches first base before he/she can be replaced or substituted and he/she will be charged with all pitched pitches.

NOTE: Once an illegal pitcher toes the rubber and throws a pitch to a batter and the opposing manager protest the game is forfeited at that point.

7:00 FORFEITURE, APPEALS & PROTEST

7:01 Should a question arise as to the interpretation of the playing rules, only the manager/head coach may appeal.

7:02 A team failing to field at least nine (9) uniformed players (10 players for Farm League) within fifteen minutes after the scheduled game time shall forfeit the game. A forfeit shall count in league standings. Teams dropping out of the league will have the results of their previous games discarded (*League play only - See Tournament Section for tournament rules*).

7:03 A team that does not complete its schedule will not be allowed to put a player on the all-star team.

7:04 Playing illegal players or pitchers will result in forfeiture of games in which players or pitchers participate if protested by the opposing manager or coach. Should both teams use illegal players or pitchers both teams will be credited with a loss.

- A youth that is not an approved player on the playing roster is an illegal player.
- If a player belongs to another Dizzy Dean team or league and participates in a game in your league, he is illegal.
- A pitcher who has not had their required rest is illegal and the game will be forfeited if protested.

If a manager or coach knowingly plays a player that is illegal after being told to stop by the local league, District Director, State Director or a National Director in that state, and continues playing that illegal player, that team and/or organization shall lose their franchise. You cannot back up into the tournament bracket past the last game played. In tournament play, only the last game played will be affected by forfeiture of the game.

It is the duty of the manager to keep a record of his players and pitchers.

7:06 The playing of an ineligible substitute will result in a protest if protested by the manager of the opposing team before the completion of the game. The penalty for the playing of an ineligible substitute will result in the replaying of the game from the point of the infraction if the protesting manager's team loses. *Refer to Common Rules 7:10 and 7:11.*

7:11 Tournament protests may be made only on a misinterpretation of a rule and ineligibility of a player or players.

- A protest based on the misinterpretation of a rule must be made before the next legal pitch.
- All other protests including ineligibility or legality of a player or players must be made before the team or umpires leave the playing field at completion of game.
- Protests must be made to the umpire in chief.
- The protest committee after hearing the protesting manager and the manager of the opposing team shall make a decision and that decision will be final. There will be no appeal.
- In all cases, a National Director or National Commissioner must be notified of any forfeit prior to announcement on the field.

7:12 Rained out or otherwise postponed regularly scheduled league games must be played within seven (7) days, called by the league president.

- Failure to comply will result in forfeiture of the game by the home team, or they may appeal to the league president who will then set a time and date for play as nearly as possible to suit the convenience of both teams.

7:13 In local play only; a team may file a protest on the grounds of ineligibility of a player or pitcher within forty-eight (48) hours after the completion of the game.

- *NOTE: According to the interpretation of this rule, only the game or games protested will be considered and all protests of this nature must be within forty-eight (48) hours (For Tournament play see Common rule 7:11).*

7:14 Any team manager or their adult leader who withdraws a baseball team from the playing field under any circumstances prior to the official completion of the game, or forfeits a game, shall forfeit all rights to protest as described in this section.

- He shall also forfeit this game by a score of 6 to 0 if 12 and under and 7 to 0 if 13 and up.
- If a team concedes a game before its completion, the score at that time will be the recorded score and stand as is or with a minimum score of 7 - 0 or 6 - 0 depending on age group involved.
- This with the consent of the tournament director. The pitcher will be charged with all pitches actually pitched.

7:15 Any player playing for more than one Dizzy Dean franchised organization will be declared illegal.

7:16 No tournament game may be forfeited unless by a District, State, or National Director.

This spring while kids are making plays on the baseball field, their parents and coaches will probably be making headlines - for violence. These days, youngsters in the batting box aren't the only ones doing the swinging. Arrests have been made across the country of overzealous sports parents and coaches for assaulting referees, coaches and players. With a new baseball season just getting underway, now is the perfect time to interview sports psychology consultant Jack Llewellyn, Ph.D., for ways to bring the fun and sanity back to youth baseball.
